

Annual function

Date: 16/04/2024

Venue: Sanjeev Kumar Auditorium

Organizer: Government Polytechnic for Girls, Surat

Session Brief:

The Annual Function of GPG Surat was a grand celebration that showcased the talents and achievements of students across various domains. The event included cultural performances such as music, dance, and drama, as well as award ceremonies recognizing academic and extracurricular excellence. Faculty members and students delivered speeches highlighting the year's accomplishments and future goals. The function served as a platform for students to express their creativity, build confidence, and foster a sense of community and pride within the institution.

Glimpse of the Session:

Expected Program Outcome Mapped with POs:

1. **PO (v): Engineering practices for society, sustainability, and environment –**
The event promoted a sense of social responsibility and sustainability through thematic performances and discussions on environmental and societal issues.
2. **PO (vi): Project Management –**
Organizing the annual function involved extensive planning, coordination, and teamwork, providing students with hands-on experience in managing large-scale events, from logistics to execution.
3. **PO (vii): Life-long learning –**
The event encouraged students to engage in continuous self-improvement and skill development by participating in diverse activities, fostering an attitude of life-long learning.

Expected Program Outcome Mapped with PSOs:

1. **PSO1: Apply the knowledge of Electronics and communication engineering to operate and troubleshoot electronic devices and circuits. –**
The technical setup of the event, including sound and lighting systems, offered students an opportunity to apply their knowledge in a practical environment.
