Overview of Vikas Saptah 2025

- *Vikas Saptah* is being observed in Gujarat from **7–15 October 2025**, marking **24 years** of development since Narendra Modi first took oath as Chief Minister in October 2001.
- The week involves multiple themes, across 10 state departments, involving various events like employment fairs, MoUs, exhibitions of flagship schemes, lectures, webinars, contests (essays, quizzes), cultural, etc
- There is special emphasis on youth participation, education events (hackathons, workshops), and value-based pledges

Objectives of Personality Development & Leadership

- Improve self-awareness: understanding one's strengths, weaknesses, values, motives.
- Enhance communication skills: clarity, confidence, listening, and empathy.
- Develop emotional intelligence: managing own emotions and understanding others'.
- Build integrity, ethics and values: trustworthiness, responsibility.
- Strengthen decision-making, problem-solving, creativity.
- Promote teamwork and collaboration.
- Foster initiative, proactivity, resilience.
- Cultivate leadership qualities: vision, motivation, influencing others, delegation, accountability.

Importance of Personality Development

Personality development helps individuals to:

- Improve self-expression and public speaking
- Overcome fear and stage anxiety
- Build a positive attitude and mindset
- Develop discipline, punctuality, and time management
- Handle stress, criticism, and conflict constructively

Importance of Leadership

Leadership development helps individuals to:

- Set a vision and motivate others
- Take responsibility and make decisions
- Lead teams and manage projects effectively
- Build trust and resolve conflicts
- Adapt to change and handle challenges confidently

Methods for Development

- **Workshops and Seminars:** Sessions on soft skills, leadership styles, and personality grooming
- **Group Discussions & Debates:** Enhance confidence and communication
- **Role Plays & Case Studies:** Develop problem-solving and decision-making abilities
- **Mentoring and Coaching:** Personalized guidance from experienced individuals
- **Extracurricular Activities:** Participation in student councils, clubs, and volunteering opportunities
- **Feedback and Reflection:** Self-assessment and improvement through peer and mentor feedback

Conclusion

Personality development and leadership are lifelong journeys that start with self-awareness and grow through continuous learning and practice. Developing these skills not only leads to personal success but also contributes to the betterment of society.
