Chapter1: Introduction

The Badminton Tournament held as part of the **SHAURYA – 2026** sports event at Government Polytechnic For Girls, Surat, marked a significant celebration of athleticism, teamwork, and sportsmanship. With participants from various departments, the tournament aimed to provide a platform for female students to showcase their badminton skills and passion for the sport.

Outcome of Badminton Tournament for Girls College:

1. **Empowerment:** The Badminton Tournament in girls' colleges fosters a sense of empowerment among female students, providing them with a platform to participate in traditionally male-dominated sports and break gender stereotypes.
2. **Skill Development:** Participation in the tournament allows female students to develop and enhance their badminton skills, including footwork, net-play, stroke Techniques, and defensive skills, through regular practice and competitive matches.
3. **Teamwork and Leadership:** The tournament encourages teamwork and collaboration among participants, promoting camaraderie and fostering leadership qualities as students work together towards a common goal of success.
4. **Physical Fitness:** Engaging in badminton matches promotes physical fitness and overall well-being among female students, encouraging an active and healthy lifestyle beyond the classroom.
5. **Social Interaction:** The tournament provides opportunities for social interaction and networking among students from different departments and backgrounds, fostering friendships and promoting a sense of belonging within the college community.
6. **Self-Confidence:** Participation in competitive matches boosts self-confidence and self-esteem among female students, as they gain recognition for their athletic abilities and achievements on the badminton field.
7. **Celebration of Diversity:** The Badminton Tournament celebrates diversity and inclusivity within the college, as students from various cultural, academic, and athletic backgrounds come together to showcase their talent and passion for the sport.
8. **Community Engagement:** The tournament draws attention and support from the college community, including faculty members, staff, and fellow students, who rally behind the teams, creating a vibrant and supportive atmosphere during matches.
9. **Promotion of Sportsmanship:** Above all, the Badminton Tournament promotes values of sportsmanship, fair play, and respect for opponents, instilling important life lessons and ethical values that extend beyond the badminton field.

Chapter 2: Tournament Overview

The Badminton Tournament organized under **SHAURYA – 2026** serves as a pivotal event within the broader sports extravaganza. This chapter delves into the intricate details of the tournament, offering readers a comprehensive understanding of its structure, format, and significance.

1. **Structure:** The Badminton Tournament follows a structured format comprising multiple phases, including semifinals and final showdown. This organized structure ensures fair competition and allows teams to progress through the tournament stages based on their performance.

Chapter 3: Rules and Regulations

For Singles game:-

1. The side court or the 1'6" wide corridor on the extreme left and the extreme right of the court is excluded. A shuttle landing here at any point in the game play is considered out.
2. The first line from the net, called the service line, should be crossed while serving.
3. All other areas of the court are open for play at any other time.

For Doubles game:-

1. The 2'6" thick lobby at the back of the court is not allowed when serving. A serve landing here is considered fault and the non-serving team gets that point.
2. The restriction related to short service line remains the same as that in singles.
3. The entire area of the court defined by the outer lines are open for game play at any other time.

Service rules for Singles :

1. At the beginning of the game (0-0) and when the server's score is even, the server serves from the right service court. When the server's score is odd, the server serves from the left service court.
2. If the server wins a rally, the server scores a point and then serves again from the alternate service court.
3. If the receiver wins a rally, the receiver scores a point and becomes the new server. They serve from the appropriate service court – left if their score is odd, and right if it is even.

Service rules for Doubles

1. A side has only one 'set'.
2. The service passes consecutively to the players as shown in the diagram.
3. At the beginning of the game and when the score is even, the server serves from the right service court. When it is odd, the server serves from the left court.
4. If the serving side wins a rally, the serving side scores a point and the same server serves again from the alternate service court.
5. If the receiving side wins a rally, the receiving side scores a point. The receiving side becomes the new serving side.
6. The players do not change their respective service courts until they win a point when their side is serving.
