Government Polytechnic for Girls, Surat is going to organize the “Shaurya -Sport week 2024” on date 28th April 2024 to 30th April 2024. So as per the discussion with the chess co-ordinate and members the following rule are decide for chess event:

1. Department Level Entry:

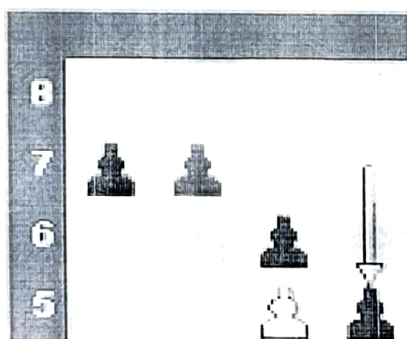

Sr. No.	Department	No. of Entry
1	Architecture	1
2	Civil	1
3	Computer	3
4	Electrical	1
5	EC	1
6	ICT	1
7	IT	1
8	Textile	1
Total No. of Entry		10

2. Position of the student (A1, A2,.....B1, B2,.....) decides as per the draw system.

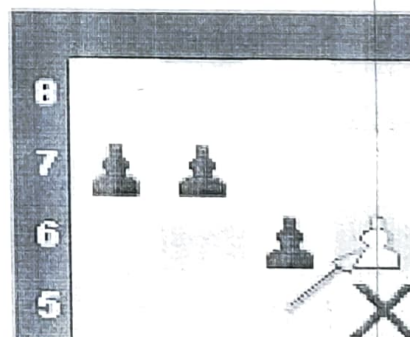

3. Initial Setup

4. **Timing** - Matches will be held with a 10 minutes limit on completion.
5. **Scoring** - If the match is not completed within the 10 minutes limit, the winner will be decided off of points captured.
6. **Point values** are given to each pieces as it is captured.
 - Pawn - 1
 - Knight - 3
 - Bishop - 3
 - Rook - 5
 - Queen - 9
7. **Touch & Move Rule** - If student touch any piece (item) of chess, then move it compulsory.
8. **Pawn Promotion**: If a pawn reaches the opponent's edge of the table, it will be promoted – the pawn may be converted to a queen, rook, bishop or knight, as the player desires. The choice is not limited to previously captured pieces. Thus it is theoretically possible having up to nine queens or up to ten rooks, bishops, or knights if all pawns are promoted.
9. **En passant Rule**

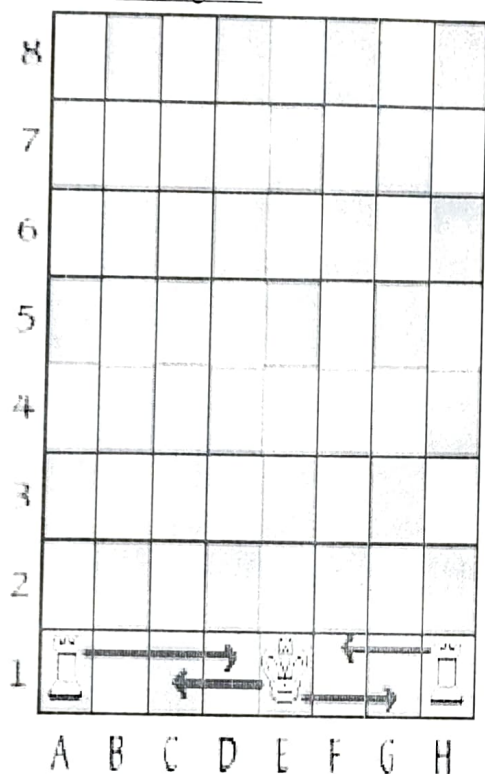

1. Black moves his pawn to d5, skipping a possible capture on d6 from white.

2. White moves his pawn to d8, capturing black's pawn on d5 'en passant' (in passing).

10. Castling Rule

Rules of Castling

* The king moves two spaces, and the rook goes on the other side.

1. It must be the king's first move. Once the king moves, you lose your ability to castle.

2. It must be the rook's first move. Once the rook moves, you lose your ability to castle on that side.

3. You cannot castle while in check.

4. You cannot castle into check.

5. You cannot castle through check.

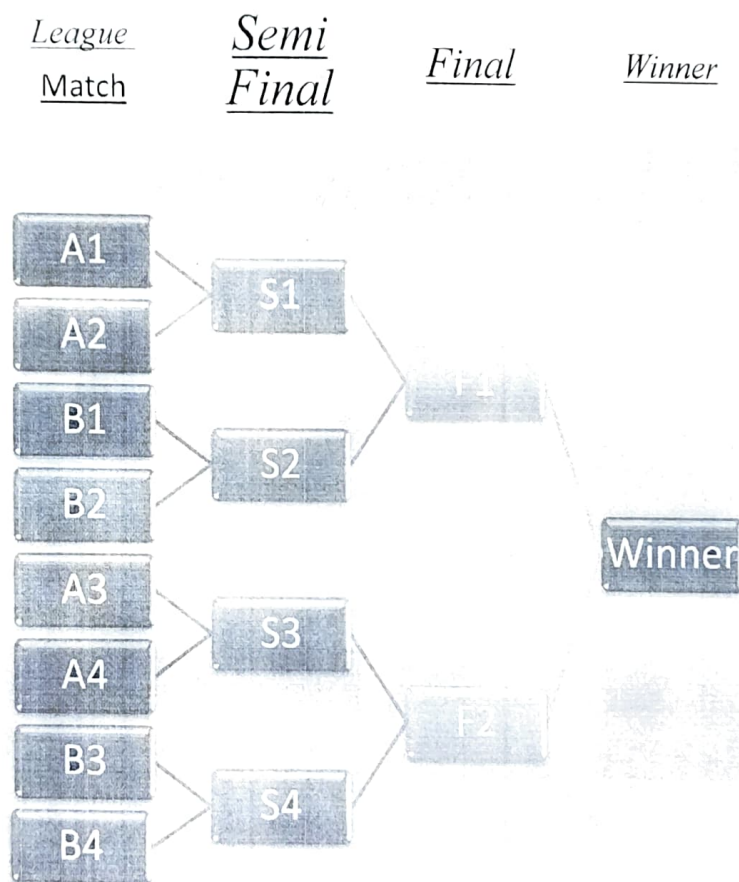

* No piece can be between the king & rook.

11. Winning the Game

- a. The match is over when a king on either side is captured
- b. If time expires, the player with the most points from captured pieces wins. In the event of a tie in points, the next player to capture an opponent's piece will be the winner.
- c. In the event of a Stalemate:
 - i. The player with the most points from captured pieces will be the winner.
 - ii. If there is a tie in points, the player with the most pieces still on the board will be the winner.

12. In case of any conflicts chess committee decision will be final.
