From the pen of Editor:

We came to believe in two fantabulous quotes about education this year: 1. Edward James Olmos says, "Education is the vaccine of violence." and 2. W. Edwards Deming states that "Learning is not compulsory... Neither is survival". In the context of the last year, both the quotes seem harmonious and apt. Covid-19 created havoc not only in the world economy but in the education also. The reason was quite simple – somewhere ignorance and half-knowledge and at some places, fear took the charge.

It became a challenge to fulfill the desires of our stakeholders during the past year although we overcome the hurdles with gusto. We tried a new journey of online teaching-learning process and we achieved many positive outcomes of that, also.

Educational institutions are the windows that create doors of opportunities in people's lives which can be opened by using the key of learning and experiencing the fast changes occurring in the surroundings. Our key interest was, is and will be our students' development and we prosper due to their undaunted cooperation. This is the cause of our constant growth as an institution.

For the overall development of the students, we continued our hard work in every possible field during the year 2020. We enjoyed some new challenging tasks so today can create a bright and wonderful tomorrow. Many activities under the aegis of SSIP, NSS, NCC, Gymkhana, Alumni Association and Finishing School, SCOPE etc. were done successfully during the academic year 2020.

Thus, hereby I wish to present another great year full of worthwhile activities, tasks and events of our institution in the form of e-Newsletter.

Acclamation!!!!

- Mr. Mehul V Desai has been conferred on doctorate in Electronics Engineering by Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat during the year 2020. He has done research under the guidance of Dr. Shweta N Shah. The title of his thesis is "Development and Analysis of Ionospheric Correction Model for Position Estimation with NavIC Receiver".

Endorsement!!!

- Mr. S M Gheewala (DECE) participated in ET2ECN 2020: Third International Conference on Emerging Technology Trends in Electronics Communication and Networking organized by SVNIT, Surat on 7-8 February, 2020 and presented a research paper titled 'Fabrication of Macro Porous Silicon Structures using Pulsed Fiber Laser Technique for Capacitive Sensor Application'. The article is published in SCOP U Journal as a Conference Proceedings.

- Mr. A R Sankaliya (DECE) presented a research paper titled 'Performance Evaluation of Prediction Algorithm based Tracking Methods in a Recovery of a lost Target using Wireless Sensor Network' at International Conference on Intelligent Systems and Signal Processing (e-ISSP2020) organized by IEEE & GCET, Anand on 29 December, 2020. The article will be published in Springer's AISC series shortly.

Big hand!!!

- A research paper of Dr. Mehul V Desai, titled 'Case Study: Performance Observation of NavIC Ionodelay and Positional Accuracy', was published nationally by IETE Technical Review, Taylor and Francis [pp. 1-11; SCIE indexing journal, Impact factor: 1.618] during the year 2020.
- Another research paper of Dr. Desai, titled 'A Local Multivariate Polynomial Regression Approach for Ionospheric Delay Estimation of Single-Frequency NavIC Receiver', was published internationally by S N Applied Sciences, Springer Nature Switzerland [pp. 1-13; Emerging Sources Citation Index (EXCI)] during the year 2020.
- Dr. Desai published one more international research paper titled 'Overview of the Influence of X2.2 and X9.3 Solar Flares on NavIC System' in Acta Geodaetica et Geophysica, Springer [pp. 567-577; SCIE indexing journal, Impact factor: 0.909] during the year 2020.

Way to go...!!!!

- Mr. S M Gheewala (DECE) delivered a speech as a Key-note Speaker on the occasion of 150th Birth-anniversary Celebration of Swami Vivekanand at Navyug Commerce College, Surat on 21 January, 2020.

- Dr. Biradar was offered a lecture series (Online) and she took 21 lectures on Google Meet platform from 29 June, 2020 to 27 August, 2020 in BBA – III Semester, National Computer College, Jamnagar. She shared her knowledge of English and Communication Skills with the participants.
- Dr. Biradar was offered a lecture series (Online) and she took 22 lectures on Google Meet platform from 29 June, 2020 to 2 September, 2020 in BCom – III Semester, Swami Narayan Gurukul, Jamnagar. She shared her knowledge of English and Communication Skills with the participants.

Pure Mind and Life - A Meaningful Journey of Soul

Life is like riding a vehicle for a beautiful and meaningful journey. In your life, if you want to move at the right pace and reach the final destination, that is manifestation of divinity, maintaining the right balance is must.

God has showered all of us with the blessings to live a purposeful life. There are plenty of examples of various great human beings in the history across the world who have lived their lives with tremendous success and created their own destinies in spite of several hurdles. These great people had the ultimate accomplishment and could live an exemplary purposeful life because of enormous control over their minds.

To achieve this full control over the mind, one should purify it, because only a pure mind is a pure intellect and a pure soul (atma). Purification is a continuous process of discriminating between good and bad and completely removing whatever is bad and enhancing whatever is good through introspection, awareness and observation. In this way, the mind is purified gradually. The pace at which this purification happens in our life depends on genuine efforts as we are the creator of our own destiny.

How can one determine whether mind is pure or impure? The mind which is lustful, egoistic, distracted and lazy is impure while the mind which is controlled, detached, egoless, aware,

concentrated through practice and detachment is pure.

As said by Patanjali in Yogasutra, to control mind one should implement

1. Companionship with happy people
 2. Compassion for those in despair
 3. Faith in whatever is good
 4. Ignore whatever is bad
- There are some very useful techniques and methods one can use in daily life to have good control over the mind and live a purposeful life
1. Increase your willpower through practice and detachment.
 2. Understand your mind and self through different exercises and experiences for various quotients like : Physical, Intellectual, Emotional and Spiritual.
 3. Keep good relationships with others through proactive approach.
 4. Always engage yourself in different good and purposeful activities.
 5. Replace any negative thoughts and emotions by positive ones.
 6. Use the power of your imagination in a good way.
 7. Save yourself from a pessimistic approach.

How I define myself – How you should define yours...!!:

1. Throw me to the Wolves and I will return leading the pack. (Self-Confidence)
2. I'm too busy working on my own grass to notice if yours is greener. (Focus on your own work only)
3. We are all broken. That's how the light gets in. (Positive Thinking)
4. The eyes are useless when the mind is blind. (Creativity – Creative thoughts and ideas)
5. Your best teacher is your last mistake. (Learn from the past mistakes but don't be their slaves)
6. Just because my path is different doesn't mean I'm lost. (Believe in yourself)
7. There are only two options: Make progress or make excuses. (Design your career and choices)
8. When it rains, look at the Rainbow. When it's dark, look at the stars. (Understand the situation and adjust accordingly)
9. You're allowed to scream; you're allowed to cry, but you are never allowed to give up. (Consistency in work)
10. Hope is the only Thing Stronger than fear. (Have faith)

એક અમથી કવિતા અને હું ...

એક સળવળતો સવાલ અને હું
છે કાય ની એક દીવાલ અને હું;
સળગતાં, ઉકળતાં ચરુ જેવો સમાજ
સઘળી લોક-નિંદા નું રાઝ અને હું.

આંખો ની શીશી મહીં ઉતરેલો સૂરજ
ચોતરફ છે ચળકાટ અને હું;
રૂબતાં કે તરતાં આવડતું નથી કોઈ ને
ચારેકોર આ હાહાકાર અને હું.

જાણે શિલાલેખો માં કોતરાયા કેટલાંય વિચાર
એવાં મન નાં સઘળા ધમાસાણ અને હું;
જીવન અને મૃત્યુ ના ચાલ્યા કરે તોફાન
સમય લાચાર, લોહીલુહાણ અને હું.

ટળવળે ઝંખનાઓ સૂકાં રણ મહીં
મૃગજળ ના સૌ આભાસ અને હું;
જેને પામ્યા કરું છતાં સતત શોધ્યા કરું
કસ્તુરી ની એવી સુવાસ અને હું.

પ્રેમ તણો સ્પર્શ સદા વિલસતો રહે
છતાં આ સઘળો વાણીવિલાસ અને હું;
દીવાદાંડી ની માફક પ્રકાશ વેર્યા કરું
આ નિઃશબ્દ, તરફડતો અંધકાર અને હું.

Khamoshiya.....

Khamoshiya bhi apna ek alag rutba rkhti h..
Khamoshiya aise alfaz h..
Jinme chupe dil k kai raz h..
Ye to zindangi ka saz h..
Pr na Jane q mera dil khud se hi naraz h..
Kuch baate dil ki bhi hoti h
Jo zuban pe nhi bin kahe hi aakhe roti h..
Roz ye dil chikh chikh kr rota h..
Magar lafzo se kaha dard bayaan hota h..
Kabhi sochna gehrai se ek baat..
Kuch log bas yu hi karib hote h..
Baat ho na ho dil ko aji hote h..
Khamoshiya dil ki zuban hoti h
Alfazo se kaha byan hoti h..
Be awaz is shor me Sach
mene bhi suna h..Pr
khamosh hu
Qki ye rasta bhi to mene hi Chuna h..
Khamoshiya aise hi kuch alfaz h..
Jinme chupe kai raz h..

Zindangi..

*Chal mere dost zindangi jeene ki aaj ek nayi wajah dhudhte h..
Chal hasne ki koi wajah,
or gam ko dafnane ki qabar dhudhte h..
Bohot kr li shikayate..dusro se
Ab khud k liye thodi rihayate dhudhte h..
Chal mere dost zindangi jeene ki aaj ek nayi wajah dhudhte h..
Bohot dekh liya chand ko..
Aaj sitaro ko pane ki chah rkhte h..
Chal aaj fir wahi khushiyo wala bachpan dhudhte h..
Chal mere dost zindangi jeene ki aaj ek nayi wajah dhudhte h..
Bohot waqt guzara h andheri raato me..
Chal aaj andheri ratoo se hm ek nayi subh dhudhte h....
Chal mere dost zindangi jeene ki aaj ek nayi wajah dhudhte h...*
